

GASKETS

UHV ALUMINUM GASKETS

UHV COPPER GASKETS

ULTRA-VAC* UHV copper gaskets are manufactured from select, half-hard, .080" thick certified OFHC copper. This specially ordered material has been found to be particularly well suited for UHV gasket applications. Use ULTRA-VAC* CVG series gaskets with all commercial versions of CONFLAT** Z-SEAL* type UHV flanges. Premium quality CVG series gaskets are shipped clean and vacuum packed in packages of 10.
